

Who should care for everybody? It is enough, say they,  
to care for a few. Yet the good done,  
and the love that foresees more to do, stimulate  
philanthropy and are an ever-present reward.  
Let one's life answer well these questions, and it  
already hath a benediction: Have you renounced self?  
Are you faithful? Do you love?

“Who should care for everybody?”

## **Christian Science nursing is Church in action**

It is an activity mandated in the bylaws  
of the First Church of Christ, Scientist,  
in Boston, Massachusetts.

Christ is the head of the church:  
and he is the saviour of the body.

*Paul (Ephesians 5:23)*

By this shall all men know that ye are my disciples,  
if ye have love one to another.

*Christ Jesus (John 13:35)*

## **Charity is a Christian duty -**

Christ's followers are to show their love for each other by  
showing their care for each other.

## **Christian Science nurses are here when you need help -**

Support their healing ministry.  
Give generously.

Now at this time your abundance may be a supply  
for their want, that their abundance also may be a  
supply for your want: that there may be equality:

*Paul (II Corinthians 8:14)*
